

LISTA DE LOS PAJAROS ENCONTRADOS EN LA ESTACION BIOLOGICA  
CAÑO PALMA ENTRE 7 Y 29 DE SETIEMBRE 1993

CHECKLIST OF THE BIRDS OBSERVED AT CAÑO PALMA BIOLOGICAL  
STATION BETWEEN 7TH AND 29TH OF SEPTEMBER 1993

<u>CATEGORY</u>	<u>COMMON NAME</u> <u>NOMBRE COMUN</u>	<u>LOCATION</u>
<b>Shorebirds</b>		
<i>Scolopacidae</i> Numenius americanus	Long-billed Curlew Zarapito Piquilargo	Flying over the station
<b>Black Raptors</b>		
<i>Accipitridae</i> Buteo brachyurus	Short-tailed Hawk Gavilan Colicorto	- " -
<b>Parrots</b>		
<i>Psittacidae</i> Aratinga nana	Olive-throated Parakeet Perico Azteco	edge of pri- mary forest
Amazona autumnalis	Red-lore'd Parrot Loro Frentirojo (Lora)	- " -
Amazona farinosa	Mealy Parrot Loro Verde (Lora)	- " -
<b>Nightjars</b>		
<i>Caprimulgidae</i> Nyctidromus albicollis	Common Pauraque Tapacaminos comun	secondary growth
<b>Cuckoos</b>		
<i>Cuculidae</i> Piaya cayana	Squirrel Cuckoo Cuco Ardilla (Bubo Chiso)	tree on open station ground
<b>Hummingbirds</b>		
<i>Trochilidae</i> Heliodoxa jacula	Green-crowned Brilliant Brillante Frentiverde	secondary growth
Phaeothornis longuemareus	Little Hermit Ermitaño Bronceado	secondary growth

<i>Glaucis aenea</i>	Bronzy Hermit Ermitaño Bronceado	edge of secondary growth
<i>Eupherusa eximia</i>	Striped-tailed Hummingbird Colibri Colirrayado	secondary growth
<b>Toucans</b>		
<i>Ramphastidae</i>		
<i>Pteroglossus torquatus</i>	Collared Aracari Tucanillo Collarejo	Pejibaye trees on open station ground
<i>Ramphastos sulfuratus</i>	Keel-billed Toucan Tucan Pico Iris	secondary growth
<b>Woodpeckers</b>		
<i>Picidae</i>		
<i>Dryocopus lineatus</i>	Lineated Woodpecker Carpintero Lineatus	edge of secondary growth
<i>Campephilus guatemalensis</i>	Pale-billed Woodpecker Carpintero picoplata	secondary growth
<b>Puffbirds</b>		
<i>Bucconidae</i>		
<i>Bucco tectus</i>	Pied Puffbird Bucco Pinto	secondary growth along the river
<b>Antbirds</b>		
<i>Formicariidae</i>		
<i>Myrmotherula schisticolor</i>	Slaty Antwren Hormiguerito Pizarroso	secondary growth
<i>Myrmotherula axillaris</i>	White-flanked Antwren Hormiguerito Flanqui-blanco	edge of secondary growth
<b>Manakins</b>		
<i>Piridae</i>		
<i>Manacus candei</i>	White-collared Manakin Saltén Cuelliblanco	secondary growth
<b>Greenlets</b>		
<i>Vireonidae</i>		
<i>Hylophilus ochraceiceps</i>	Tawny-crowned Greenlet	- " -
	Verdillo Leonado	
<i>Hylophilus flavipes</i>	Scrub Greenlet Verdillo Matoralero	- " -

**American or Tyrant Flycatchers**

<i>Tyrannidae</i>		
Megarhynchus pilengua	Boat-billed Flycatcher Mosquerón Picudo	secondary growth
Coryphotriccus alбовittatus	White-ringed Flycatcher Mosquero Cabecianillado	- " -
Myiozetetes granadensis	Gray-capped Flycatcher Mosquero Cabecigrís	- " -
Pitangus sulfuratus	Great Kiskadee Bienteveo Grande	secondary growth along the river
Contopus virens (migratory)	Eastern-Wood Pewee Pibí Oriental	open station ground near the river
Contopus cinereus	Tropical Pewee Pibí Tropical	open station ground
Mionectes oleagineus	Ochre-bellied Fly- catcher Mosquerito Aceitunado	edge of secon- dary growth
<b>Bananaquit</b>		
<i>Coerebidae</i>		
Coereba flaveda	Bananaquit Reinita Mielera	secondary growth
<b>Warblers</b>		
<i>Parulidae</i>		
Geothlypis trichas (migratory)	Common Yellothroat Antíficito Norteño	secondary growth along the river
Oporornis philadelphia (migratory)	Mourning Warbler Reinita Enlutada	- " -
Seiurus s.p.	Watertrush s.p. Reinita Acuatica s.p.	secondary growth and open ground

**American Orioles, Blackbirds**

<i>Icteridae</i>		
Psarocolius montezuma	Montezuma Oropendola Oropendola de Montezuma	open station (Pejibaye tree) primary forest
Icterus dominicensis	Black-cowled Oriole Bolsero Capuchinegro	edge of secon- dary growth

**Tanagers, Honeycreepers***Thraupidae*

Chlorothraupis carmioli

Olive Tanager  
Tangara Aceitunada o  
de Carmioledge of secon-  
dary growth

Tangara larvada

Golden-hooded Tanager  
Tangara Capuchidoradasecondary  
growth

Dacnis venusta

Scarlet-thiged Dacnis  
Mielero Celeste y negrotree on open  
station

Ramphocelus passerinii

Scarlet-rumped tanager  
Tangara Lomiescarlatabush in the  
open station  
ground**Finches***Emberizidae*

Haplospiza rustica

Slaty Finch  
Fringilo Plomizotree in the  
open station  
ground (near  
kitchen)
